RE: LETTER TO THE EDITOR

Dear Editor:

On behalf of the board members and staff of the Housatonic Youth Service Bureau, I want to thank everyone who helped make our Annual Golf Outing at Silo Ridge Country Club on June 21st, a triumphant success. We are most grateful to Sharon Hospital for their continued partnership as Corporate Sponsor.

Their incredible support for this once again "sold-out" event generates many winners. Special thanks to Charles Therrien, Sharon Hospital President, his Executive Assistant Brenda Fife and Jill Musselman, Director of Marketing and Public Relations for their hands-on assistance throughout.

Thanks to all the local and regional businesses and community members who sponsored the event with holes, carts, raffle gifts, boosters, contests, the banquet table and more. We are especially grateful to our Gold, Silver and Bronze sponsors - Gar-San of Watertown, Cardinal Health of Houston, TX and the Republican American, of Waterbury respectively. We are grateful to all our golfers, many who return year after year, who make the event most memorable.

Congratulations to the first place winners of the 4-person scramble...Rick Cantele, Bob Stair, Chris Hardy and Joe Cleaveland. Runner up prizes went to Morris Spadaccini, Bob Segalla, Dave Marks and Jim Dean. Closest to the Pin winners were Mike Brouder and Carole Dmytryshak as well as Bob Stair and Carolyn Smith. Longest Drive winners were Bob Cardeau and Nicole Fletcher and Closest to the Line were Larry Rand and Carolyn Smith.

With increased sponsorships, this was clearly our most successful outing to date. The tournament's proceeds provide support for the programs and services of the Housatonic Youth Service Bureau. All participants are an important resource for our agency and for the youth and families whom we serve. We are honored to benefit from Sharon Hospital's generosity and commitment to the community through this event.

Sincerely,
Cynthia Bianchi,
Executive Director
