HYSB FYI Orienteering Nov. 4

Falls Village—The Housatonic Youth Service Bureau invites Northwest Corner residents to attend it's the last of its fall series of free F.Y.I. (*For Your Information*) Workshops with Master Teaching Artist and outdoorsman Joseph Jude Brien.

A workshop on Orienteering will be held on Saturday, November 4, 2006. The group will meet at the Power Plant in Falls Village at 12:30 p.m. with a rain date set for November 11.

Led by Mr. Brien, the orienteering program provides two hours of instruction and hands on experience in using a map and compass to navigate unfamiliar terrain. In a treasure-style activity, adult-child pairs must use their orienteering skills to find markers in the woods and along a course.

HYSB's highly regarded F.Y.I. series provides fun, interactive learning experiences for children and their parents to do together. Mr. Brien's woodworking and orienteering workshops for girls and boys, ages 10 & up, teach historical life skills.

Admission and materials for all HYSB FYI series workshops are free, but space is limited and registration is required by calling 860-824-4720.
